Administrative Law Judge

PETITION FOR EXTENSION OF TIME

HEALDSBURG EMPIRE CORPORATION ("Empire"), by its attorneys, respectfully requests the Presiding Judge to grant an extension of three business days, to February 10, 1993, inclusive, within which to file Findings Of Fact And Conclusions Of Law ("Findings") in this proceeding. In support hereof, Empire shows as follows:

1. Findings are due to be filed on Friday, February 5, 1993. An extension of three business days, to Wednesday, February 10, 1993, inclusive, is required because of factors wholly outside of Empire's control. Specifically, counsel for Empire have been unable to devote the time needed to preparation of the Findings because of the illness of one counsel and the resultant additional workload on the other.

2. The undersigned has been suffering from an influenza-type ailment for two weeks and still has not recovered fully. As a result, he has been unable to complete all of the projects for which he has responsibility, including the

preparation of Findings herein. Mr. Boros, co-counsel, has been principally involved in preparing Reply Exceptions in a multi-party comparative licensing proceeding before the Review Board, which are due on Thursday, February 4, 1993.

3. The net effect is the need for the undersigned to request an additional three business days in which to file Findings. In context, the extension is de minimis, and will not interrupt the orderly unfolding of this case. In short, no prejudice or unfair advantage will result from grant of the instant Petition.

4. Counsel for the Mass Media Bureau has consented to the requested extension; counsel for Deas Communications, Inc. does not consent, but has represented that he will not oppose the request.

WHEREFORE, Empire respectfully requests that the Presiding Judge extend (i) to February 10, 1993, inclusive, the time within which to file Findings, and (ii) to February 17, 1993, inclusive, the time to file replies thereto.

Respectfully submitted,

HEALDSBURG EMPIRE CORPORATION
